There is a sectional cut-off for this round.

✚ Second - The Story Writing Round

The Story Writing Round consists of just one question, which is of an essay type. In this question, the candidate is given a picture, and he/she needs to write a story describing it.

This round as well is conducted online, and its duration is 15 minutes. The candidate is shown a picture and he/she is asked to write an essay describing the picture within a character limit of 1,200 characters (including spaces), which comes up to 200 words approximately. This question is asked in order to test the literary skills of the candidate with reference to grammar, spellings, and punctuation. The result of this test will declare if the candidate is eligible for the job role, or not.

✚ Third - HR and Technical Round.
